

Holt 200 (anticlockwise)

Holt - Market Drayton 📱

MW03

03/11/2021 [3]

See separate route sheet for a clockwise ride.

Based on the original route of the Winter Solstice Calendar ride, covering the Cheshire Plains.

Please note that not all controls are available 24/7 so you should choose your start time with care – but that's not a problem with the eBrevet app or if you record your progress with GPS.

Section 1: 29km: a short section of off-road cycling to cross the River Weaver

For a successful validation, you must:

- enter at **www.delphcyclist.info/HoltPerm.html** (don't worry about the ride date at this stage)
- register your ride date by texting **07931 911324** or emailing **mike@PeakAudax.co.uk** before you start
- visit all the controls listed below within the time limits - note that this is a non-mandatory route
- establish your "proof of passage" by
 - downloading the eBrevet - see **www.delphcyclist.info/eBrevet.html**
 - or recording a GPS track (must be .GPX format) showing you visited each Control Location
 - or collecting till receipts or ATM slips from anywhere at the Control Location
- completing all the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride

Controls: The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within ½km of the locations below (indicated by Grid Reference and what3words.com). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.

eBrevet: Ride Code **MW03** (see www.DelphCyclist.info/eBrevet.html for customisation instructions to reverse the direction, start at any control, or start anywhere between controls).
