

Trip To The Torrs 50

A trip to the Derbyshire town of New Mills (so good they named it just once). While you're in New Mills, you are highly recommended to take a short stroll through the impressive Torrs, a deep gorge beneath New Mills and admire the Millennium Walkway. Use the eBrevet app!

Section 2: 14km There is a handy cut through off Gallowsclough Road that saves a right turn onto A6108. Make sure your GPS doesn't miss it.

For a successful validation, you must:

- enter at **www.delphcyclist.info/TorrsPerm.html** (don't worry about the ride date at this stage)
- register your ride date by texting **07931 911324** or emailing **mike@PeakAudax.co.uk** before you start
- visit all the controls listed below within the time limits - note that this is a non-mandatory route
- establish your "proof of passage" by
 - downloading the eBrevet - see **www.delphcyclist.info/eBrevet.html**
 - or recording a GPS track (must be .GPX format) showing you visited each Control Location
 - or collecting till receipts or ATM slips from anywhere at the Control Location
- completing all the details on your Brevet Card (name, address, ride date, control locations and times plus your signature) and returning to me within 14 days of your ride

Controls: The ride works best using the E-Brevet app or a GPX track to authenticate your ride. The route is advisory, but you should ensure that you pass within 1/2km of the locations below (indicated by Grid Reference and what3words.com). If you haven't access to the app or GPX you may still collect receipts from the various suggested locations.

eBrevet: Ride Code **MW29** (see www.DelphCyclist.info/eBrevet.html for customisation instructions to reverse the direction, start at any control, or start anywhere between controls).

| | | | | |
|------------------|---|---|----|----|
